

# KARLI SHERMAN

SPEAKER | LEADERSHIP COACH | CONSULTANT

*Stay Excellent*

As the owner of Karli Sherman Productions, Karli is a professional speaker, leadership coach, and executive coach. She helps companies, campuses, and individuals level up and grow through professional development workshops, intensive coaching, and keynote presentations.

With her strengths-based approach, Karli helps teams and individuals work better, recruit better, communicate better, and create better human connection.

Bringing high energy and a positive intensity to her presentations, Karli shows how being bold, curious, and authentic makes us better employees, bosses, partners, family members, and citizens. Her ultimate goal is to help professionals, especially women, develop themselves so they can think better, work better, connect better, and be their most excellent selves.
